BRIEF OF DUTIES AND RESPONSIBILITIES

Assists Mission Support Group Commander in providing group level direction and management for work characterized as infrastructure support for organizations and tenants of the host ANG base. Supports host base infrastructure activities and functions. Evaluates supervisors and reviews evaluations made by supervisors for their assigned employees. Oversees and directs the planning, scheduling, and implementation of host base operating support programs to meet local mission requirements, as well as Federal and state requirements, regulations and statutes. Implements the host Mission Support Group portion of the Designed Operational Capability (DOC) statement of the unit and/or the Emergency War Orders (EWO). Represents and speaks for the Wing Commander and Mission Support Group Commander in the designated jurisdictional area with representatives of the National Guard Bureau, the Adjutant General, USP&FO, MAJCOMs, other military components, tenant units and organizations, state/local governments, local media, business and other public/private groups or organizations having an interest in the programs of the wing/base. Collaborates with the Wing Commander and other group commanders to plan, develop, and implement a Wing Strategic Plan. Frequently serves as a team member of the strategic planning process at the state and Federal level. Directs the unit Status of Resources and Training Systems (SORTS) and AEF Reporting Tool (ART) reports for all mission support functions to reflect unit mission capability under wartime conditions. Advises wing staff concerning application and implementation of new technologies that affect host base operations. Ensures Civil Engineering support is available for mission requirements and base needs. Ensures host Base Services support is available for mission requirements and base wide needs. Assists Mission Support Group Commander in the management and direction of the host Mission Support and Military Personnel Flights. Directs the development and

implementation of local military personnel policies and procedures. Ensures 24-hour, multi-shift or on-call command, control, computer systems, and communications (C4), and information management support is provided to all base organizations and assigned geographically separate organizations. Provides direction for the overall management of base-wide security and resource protection programs that include 24-hour, multi-shift physical security, information security, communications security, and personnel security management. Oversees host base medical, bioenvironmental, and environmental management programs, ensuring each is developed and implemented according to applicable regulations. Provides oversight for base wide logistics readiness functions, to include supply, transportation/traffic management, vehicle operations and maintenance, fuels management, and logistics plans and programs, to ensure the primary peacetime and wartime flying mission of the wing/base is supported at all times. Oversees aerial port operations (where assigned by weapons system). Provides oversight for management oversight of processing, loading, and off-loading of passengers and cargo on all types of military and commercial aircraft, proper configuration of cargo for airlift, and correct documentation of hazardous cargo. Manages and supervises assigned host base contracting office personnel and programs. Serves as the group representative on the Wing Commander's Financial Management Board. Performs other duties as assigned.
